

## 75 YEARS OF JET ENGINES

Dear participant,

On behalf of the German ACARE Mirror Group "ACARE-D" we take the pleasure to invite you to an ACARE meeting on the occasion of the ILA Berlin Air Show:

**75 YEARS OF JET ENGINES – Setting the Pace for ACARE's Agenda:  
*Emissions, Noise, Cost, Acceptance - Aero engines and their major role in the past,  
the present and the future of aviation.***

The event will take place on 21 May, 14h30-16h30 in the ILA-Conference Center (Hall 5)/ Room Charlie.

The following programme is planned:

- Welcome by Mr. Dietmar Schrick, host of ILA Berlin Air Show (Managing Director of BDLI, German Aerospace Industries Association)

Key notes by

- Prof. Hans Bruyninckx (European Environment Agency, Executive Director)
  - Prof. Johann-Dietrich Wörner (ACARE Vice Chair)
  - Holger Kraemer (Member of European Parliament)
- Panel discussion, moderated by Prof. Wörner (ACARE Vice Chair) with
  - Prof. Hans Bruyninckx (European Environment Agency, Executive Director)
  - Prof. Ric Parker (Director of Research & Technology, Rolls-Royce)
  - Eric Bachelet (Executive Vice President R&T SAFRAN)
  - Dr. Rainer Martens (Executive Vice President and COO MTU)
  - Heiko Lütjens (CTO Liebherr Aerospace, DGLR Vice President)
  - Holger Kraemer (Member of European Parliament)
- Wrap up by Prof. Henke, co-chair of ACARE-Germany (DLR)

Because of the limited space in the ILA meeting room, please send us an answer to [info@dglr.de](mailto:info@dglr.de) in order to indicate your plans to join us for this event.

You may also register on the events' web page:
